OK - thanks.

Lorena,

Can we have someone move those signs ASAP? Also, can you replace the maps at all of the stops to show the new route stopping at 5th and Harbor?

Thanks,
Augie

Thanks for the information. As of this morning, the signs had not been moved. In fact, people were standing there this weekend, waiting for a trolley that never arrived.

Hi Marifrances,

I hope all is well! With Sampson being closed just south of the museum the trolley will exit POC using the new road and Lorena has been directed to have the trolley stop at the bus stop on Harbor Blvd 1 block west of the maritime museum (the southeast corner of Harbor and 5th). This will be the new stop for the Maritime Museum. The Trolley stop signs and the map of the route should have been moved from the poles in front of the Maritime Museum to this new location and the trolley should be stopping there.

Lorena - have the signs been moved and have the trolley drivers been notified to stop at this new location?

Thanks,
Augie

Hi Augie -

RE: no trolley at Berth 84?

Our weekend staff is reporting that the trolley is no longer stopping here at Berth 84. Can you let me know what is going on? It is very helpful to have the trolley stop close to the Museum and downtown harbor. Thanks!
